

Masada College – Position Description

Key Role Information

Position Name	Teacher of Y7-12 Design and Technology, iSTEM and Mandatory Technology
Reports To:	Head of Senior School and College Principal Head of Learning Area – Science and Technologies Head of Learning and Teaching 7-12
Department	Science and Technologies
Location	Masada College is located in St Ives in Sydney's leafy North Shore; a 20 minute drive from the central business district of Sydney.

About Masada College

The Masada College journey begins from age two, when toddlers join our Masada Cottage Early Learning Centre. After this, they move through to our three and four-year-old classes, then to our junior school. Finally, they graduate from our senior school as well-rounded, community-minded Australian citizens with a strong sense of their heritage and future and a lifelong ability to think creatively and independently.

We pride ourselves on strong academic results in the Higher School Certificate, consistently placing in the top schools in New South Wales. However, our real success stories are not the ones published in the league tables. They are those students who exceed their own expectations thanks to the individual attention they receive here. Their enhanced performance comes down to the encouragement of their teachers, the smaller class sizes as well as the collaboration of teachers and parents.

About the Role & Key Responsibilities

Summary	Masada College seeks an outstanding Design and Technology, iSTEM and Mandatory Technology Teacher to inspire our students and deliver a curriculum that caters for students with different learning styles. Our classroom teachers engage our students in critical reflection and inquiry to improve knowledge, understanding and skills to effectively engage students and improve their learning.
---------	---
